$2.00 PER YEAR

Editor: James K. Warner

The National Socialist Bulletin will be issued as many times as is possible per year with no less than six editions being issued per year. An annual fee of two dollars will have to be charged for the bulletin in order to defray the cost of printing expenses.

Issue No. 3 September 1960

1. JEW LEADS ANTI-FASCIST RIOTS: The Jew, Carlo Levi, who during the war was one of the leaders of the pro-Communist partisans, was instrumental in setting off riots against the Italian Fascists when they recently tried to hold a Congress in Genoa, Italy.

2. NO JEWS WANTED! Leonel Brizola, the Governor of Rio Grande do Sul, Brazil, has recently ordered that anyone found investigating German immigrants charged with war crimes "would be arrested".

3. GERMANS HIT FOR DEFEATISM: General Cord von Hobe, a general in the West German Army, criticized the German population for not backing up the soldiers near the end of WW II, when enemy soldiers invaded Germany.

4. TURKISH JEWS "SCARED": Recent reports indicate that the Turkish Jews are afraid that Ismet Inonu will be re-elected to power. When Inonu was in power from 1938 to 1950, Jews were deported, taxed heavily, and put into labor batallions. All true Turks pray that Inonu will be elected.

5. UNCONFIRMED REPORT: Certain newspapers reported that 500 Argentine Youths demonstrated against the Jews in Argentina recently. So far we have not received any confirmation of this from our contacts in Argentina.

6. CASTRO RUINS JEWS: Cuba's 12,000 Jews are quite worried these days over Fiedel Castro's policies of State Ownership. It seems that Castro is confiscating businesses owned by Jews. Evidently, Castro doesn't know that Communism is Jewish, as he has also kicked out the last Jew member in his government (In high position).

7. NAZIS RECENTLY ARRESTED: (a) Erich Deppner, former Gestapo chief in the Hague and (b) Wilhelm Koeppe, former SS General,

8. FREEDOM IN WEST GERMANY: In 1958, Ludwig Zind was sentenced to 1 year imprisonment for stating: "Not enough Jews had been gassed." After being sentenced, Zind fled to Egypt and later returned to Europe. He has reported that he has been trailed all this time by Israeli Secret Police and by the West German police who work indirectly under the Jews.

9. KLAN LEADER DIES: Edwin Edwards, head of the U.S. Klans, died last month at the age of 51.

10. KESSELRING DIES: Field Marshall Albert Kesselring died at the age of 74. Kesselring was the head of the German forces in Italy during WW II. After the war he tried to reform the German veterans' group "Stalhelm", or Steel Helmets, and at present it is building up membership.

SOCIAL JUSTICE CORRESPONDENT, Veritas, speaking of Hitler, in the December 7, 1936 issue of Social Justice said: "Hitler today is one of the leading personalities of the world, his private life is to be admired, a real puritan. He has made of Germany defeated, a new, united, great nation. He has brought back to his Fatherland the pride of industrial achievements, and scientific improvements...

But what I admire in Hitler is his stand AGAINST Communism! Social Justice, Father Coughlin's powerful organ of public opinion certainly will agree that Hitler is today the European Champion, the bitterest foe of Communism; which is the destroyer of peace and civilization."

EDITORS NOTE: Rev. Coughlin fought hard against Communism, as did Hitler. Both men were let down by their own people. The Jews succeeded in silencing them both, but a new resurgence is at hand, and the Jews will pay dearly for their treason to mankind.

RIOT ON JULY 3rd: On July 3rd eleven members of the ANP went to the Mall at 9th and Constitution Streets in D. C. with Commander Rockwell to speak. Over 250 Jews arrived in force, and after approximately 45 minutes the Jews, by sheer numbers, forced their way through the ropes and attacked the Commander and ANP members. After 5 minutes of fighting, eleven members of the ANP and six Jews were arrested. During the fight Major J. V. Morgan was dragged through the ropes by six Jews, choked unconscious, had two ribs badly bruised and his leg disjointed. Lt. Warner had his ear almost bitten off by a Jew. The next day the D.C. officials made the ANP change the place of the speech to 5th and E streets in D.C. At the new location, weeks later, Jews came and created another disturbance. When ANP members tried to protect the Commander's right to speak, sixteen of them were arrested, including one man holding the American Flag, for "Disorderly Conduct".

ON LITTLE ROCK:

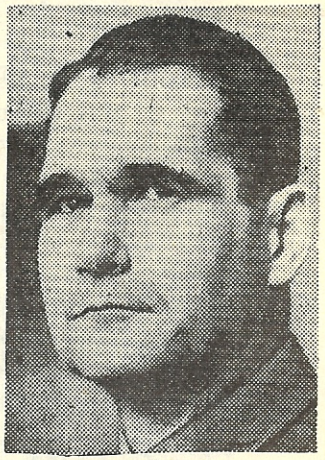
(See Picture) Trooper Dan Burros was with the troops that invaded Little Rock to protect the Negroes in 1957. Burros is in the process of writing the true documented story of what he KNEW happened at Little Rock. In the near future we shall have copies for sale.

FROM THE PROGRAM: WORLD ORDER

We shall assist all peoples to throw off the yokes of colonial oppression and establish their own free National Socialist governments.

We shall abolish the Marxist United Nations, and establish in its stead, an organic Union of Free Enterprise National Socialists States, with a World police force to maintain order, and to bring the blessings of REAL peace, International responsibility and political sanity to the peoples of the Earth.

TRIBUTE TO RUDOLF HESS: Rudolf Hess has now been imprisoned in Berlin for twenty years. Hess did not participate in the war, but was tried as a war criminal by the Jew controlled Nuremberg Tribunals. Hess is an outstanding man who has stood up for the White Race, and he deserves a vote of thanks for his work in the fight for the Survival of the White Race.



RUDOLF HESS

JAPAN: Japanese Right Wing groups are now going to dedicate a 44,000 dollar statue to Tojo and the other six Japanese Patriots who were hung as war criminals.

CITIZENS COUNCII REPRESENTATIVE: Roy Frankhauser of Reading, Penna. was the guest speaker at a Nazi Rally, (at 5th and E Sts in D.C.), during the absence of Commander Rockwell. Mr. Frankhauser was introduced by Trooper Foss as representing the "Citizens Council" and the "National Association for Preservation of Free Speech". Frankhauser spoke for nearly an hour on the subject of "Free Speech for Rockwell".

A JOB WELL DONE: During the time the Commander was in the D.C. General Hospital Mr. Warren H. Folks, of "Save America, Inc.", was working day and night to get the Commander out. As a result - Mr. Folks has been receiving anonymous threats from Jews, and his business has been boycotted by the Jews.

NAZI armbands are now for sale; $1.00 apiece.

NAZI PARTY NEWS

COMMANDER ROCKWELL: On August 4th, Commander Lincoln Rockwell was released from the Washington D. C. General Hospital after being officially adjudged SANE and competent to stand trial and to aid in the preparation of his own defense. The Commander was ordered to the hospital on July 27th by Judge Neilson, who had heard five hours of testimony (90% of which was in favor of the Commander). A total of four psychiatrists, three Gentiles and one Jew, ALL said the Commander was SANE.

PICKETING SAMMY DAVIS, JR. On July 12th, Sammy Davis, Jr. got the surprise of his life when 16 members of the American Nazi Party picketed him at the Lotus Restaurant in Washington. When the British Fascists in London picketed him a few months ago, he said: "It could never happen in the U.S.". Later that week the ANP found out that Sammy was to appear on a Jew radio show in one of the D.C. restaurants. ANP members showed up in force, and Sammy cancelled his appearance.

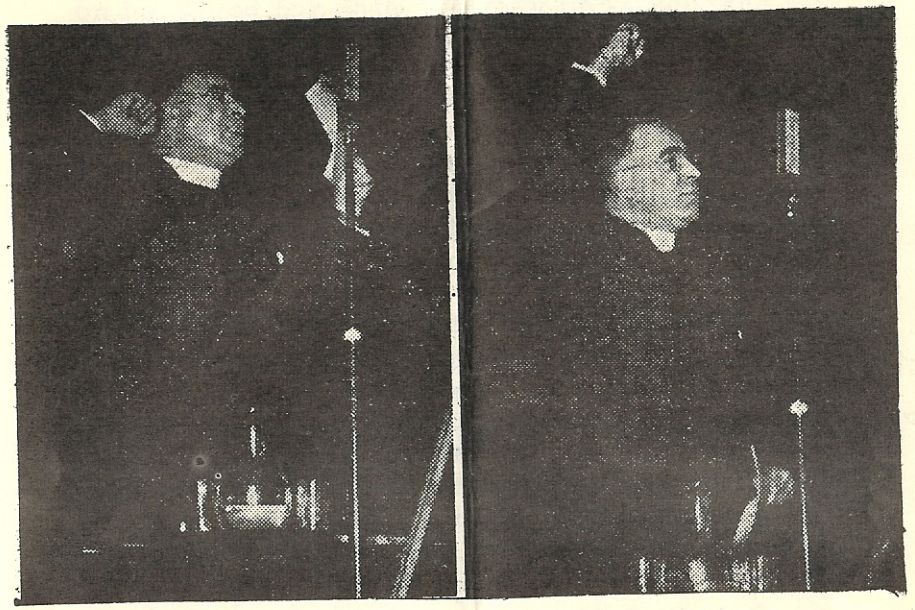
U. S. MARINE RECEIVES FRAUDULENT DISCHARGE, Quantico, Virginia, 6 July 1960: Marine Pfc John Patler received a General discharge today for "unsuitability" on account of his participation in anti-Communist organizations. Pfc Patler was shown an Honorable discharge with his name typed thereon and was asked by his Commanding Officer to sign for it. In one hour and ten minutes, the unbelievably short amount of time it took to process Pfc Patler, he returned to pick up his Honorable discharge --- and found that he was tricked into signing for a General discharge, and that the Honorable was used as bait to procure his signature. The papers had been re-inserted into the typewriter and the words "under" and "conditions" had been typed in, before and after the word "honorable".

PICKETING IN MARYLAND: In July, the ANP members picketed Glen Echo Amusement Park asking the owners to keep it Segregated. Negroes are picketing the park trying to end the segregation policy of the park. The Negroes also picketed a theater in Bethesda, Maryland, and the same day they started - the ANP was there to counter picket them. The manager of the theater, Mr. Hiser, said that he will not change his policy.

ON THE CONGO: In the last issue of the NSB we predicted that the White Women in the Congo would be raped. When the Congo became an independent state, the Negroes went wild and raped white women, including nuns. However, this was played down in the press, - but let one Negro be harmed in South Africa and the press harps on it for months.

ANOTHER ADL FRAMEUP: On the 26th of July, Dan Burros and John Patler went to the ADL offices in D.C. in order to pick up some free literature. After they left the building the Jews put up Swastika stickers inside the elevator and blamed it on the boys. As anyone knows, within the last year the ANP has given away thousands of these stickers, and evidently some came into the hands of the Jews. The boys were locked up in the D.C. jail and the Jews made them post $500 bonds, which is absurd for so-called "abuse to property." They were immediately suspended from the Party until after the trial on the 30th of August.

PICKETING THE WHITE HOUSE: While Commander Rockwell was in the D.C. General Hospital, members of the ANP picketed the White House for several days in a row, protesting his detention.



REV. CHARLES E. COUGHLIN, SAYS:

"Fascism, to the mind of the trained Communist, is anything that is anti-Communist . . .

What, when all the stage setting has been moved back, is this true Fascism? . . . It is primarily a defense against Communism. Communism, once it had entrenched itself in Russia, looked out upon the world and saw the world's peoples prostrate amud the sufferings and the privations that are the aftermath of war . . . the outstanding fact remains that Fascism was and is Europe's answer to the Russian Communist threat of world Revolution and is the bulwark against its long active agencies of destruction. (Social Justice, Nov 30, 1936)

. . ."we cannot accept the Jewish discontent that originated in Russia in 1917 should be foisted upon America." (Radio Broadcast, Feb 19, 1939)

ADOLF HITLER SAID:

"An army whose soldiers were all generals, if only by training and comprehension, would be worthless; a political movement as the upholder of a world-concept is equally so if it tries to be a mere reservoir of 'thinking people'. No; it needs the primative soldier as well, or no inner discipline can be achieved." (Page 442, Mein Kampf)

"The greatest danger of any movement is a membership that has grown abnormally by reason of too rapid success. For while all cowards and egoists carefully shun a movement as long as it is engaged in a bitter struggle, they usually try to join it, if through the developments of the party has either gained a big success or such has become likely." (Page 565, Mein Kampf)

"A movement which, in a time when the majority rules in all and everything, adapts itself to the principle of the leader-idea and to the responsibility going with it, will someday with mathematical certainty overcome the situation hitherto existing and will emerge victorious." (Page 570, Mein Kampf)

NAZI TROOPER EXPOSES RED SPY TO FBI

Long disgusted with Integration and dishonest officials - Roger Foss became friendly with the 1st Sec. to the Russian Embassy, agreeing to apply for government work. Upon hearing of Cmdr. Rockwell's organized fight to save America - he joined, and exposed the Red Spy to FBI Hqs. "Only a 'Nazi America' can survive against Communism," said Trooper Foss.
